

IM2019 First Announcement

25th International Meeting of Collectors of Historical Calculating Instruments

September 20th to 22nd, 2019

The Hague & Scheveningen, The Netherlands

Theme: *Calculators on the Beach*

Invitation

The “Dutch Circle of Slide Rule Collectors” is pleased to invite you to the 25th *International Meeting of Collectors of Historical Calculating Instruments*, being held September 20th to 21st, 2019 in Scheveningen and The Hague (Den Haag), The Netherlands, with an optional visit to a small local museum on Sunday September 22nd, 2019.

Special attention will be given to the fact that it is the 25th International Meeting.

Targeted Audience

This invitation is directed to all collectors of slide rules and other calculating instruments, as well as to institutions, museums and universities which have a relation with technology and mathematics.

The presentations in the programme will cover a wide range of subjects related to historical calculating instruments.

Scheveningen & The Hague

Scheveningen is famous for its beach, Kurhaus and Pier. The Hague is the residence of the Dutch government. In The Hague and Scheveningen you can visit some famous museums, before and after the IM.

Inheritance of Slide Rules

During the meeting an auction will be held of some rare slide rules of Kring members who have passed away.

Hotel Room Reservation and Payment

From previous meetings we know how convenient and pleasurable it is for participants and partners to stay in the same location as where the meeting is being held.

Details about hotel and venue will follow in January 2019.

The hotel can easily be reached by car, airplane, train and public transport.

Costs

The meeting fee and other costs will be published when known. They will be of the same order of magnitude as previous years.

IM2019 Registration and Payment Methods

More information will follow in January 2019 on the web site www.rekeninstrumenten.nl

The Organising Committee hopes you will join us at IM2019.

Chris Hakkaart, Otto van Poelje, Leo van der Lucht, Nico Smalenburg, Andries de Man, Francesco Basta.
